Dear Mr. Dozer,

On behalf of Faylane Elementary, I want to thank you for all that you have done to help make our school an even better place for learning. It has truly been an amazing experience working with such fine people who have their hearts in the right place. The commitment shown by everyone involved toward a shared vision is something that has brought inspiration to me, my staff, and the surrounding community. Every single one of the projects has made an impact. Even after the unfortunate library fire, your group remained committed to ensuring that it was re-done and ready for students on the first day. A true testament to the dedication of the Give and Grow Foundation.

It is difficult to express to you how much we appreciate all the hard work that went in to this project, but I have included some messages from our students that may help. It has been an absolute pleasure to have had the opportunity to work with you and your foundation. Please pass on our thanks to everyone who worked so tirelessly on this project.

Sincerely,

Dear Give and Grow,

Thank you for coming to Faylane Elementary not once but twice! It's a honor that we have you make our school a better place for everyone. After the fire in the library, you came back and rebuilt Faylane. You didn't have to do that but you did. I can't thank you enough for doing this. Now our Faylane Elementary is a better and colorful environment for everyone thanks to Give and Grow. I thought when the fire struck, our school would be ruined, but hope came when Give and Grow came to rebuild our school again. Once again I would like to thank you for all your hard work and determination to rebuild Faylane Elementary!!!

Sincerely,  
Jenny Nguyen

Dear Give and Grow,

Thank you for helping to make our school awesome! I can not believe how beautiful the school looks. I like the murals and the playground on the black top. I like your painting. It was cool! I like the library the most.

Sincerely,  
Nicholas

Dear Give and Grow,

My name is Skyler Draffen and I go to Faylane Elementary. What I want to do is thank you for spending your time to decorate this school. On the first day of school, I said, "Whoa, I think I'm in the wrong school!" You gave the school a WHOLE new makeover and now it looks brand new. It looks sooooo much better with the colorful painting and the school looks alive. I love with what you did to the library, and I am so sorry you had to do extra work, since it had been burnt down. The new playgrounds, murals, and paintings are all so very creative. Thank you once again for everything. I appreciate all the hard work and determination. Please write back to me soon!

Sincerely,

Skyler Draffen

P.S. I bet all the kids in the school are satisfied.
